It's easy to become a first aid supply do it yourselfer.

For your convenience the worksheet contains 54 of the most commonly used industrial first aid products. To restock your first aid kit, use this worksheet to determine what items you need to order. Then return to the interactive order form at our website, transfer the quantities and click add to cart.

To keep your kits compliant with OSHA/ANSI Standards we provide for your information:

- Line items listed in bold type are the ten items that are required by the new ANSI Standard Z308.1-2009 as "the minimum requirement for a workplace first aid kit."
- Line items with a number 1 - 9 are the nine items that are recommended by this standard.
- Line items with an asterisk have expiration dates that need to be monitored and replaced as needed.
